## GENERAL CONDITIONS

- This voucher serves as a means of payment in the Clínica Médis network, in an oral check-up consultation and must be used in full and at once, by a new customer in the Clínica Médis network upon presentation of the valid Médis card.
- The €45 oral check-up consultation includes an orthopantomography and a medical diagnosis of the oral health condition, with the presentation of a treatment plan. If the patient wishes to start any of the treatments presented, he/she must pay the emerging costs.
- The entire amount is paid in a single consultation, and the client must pay any emerging costs if the amount charged to the client exceeds €30.
- Valid until December 31 2026 so scheduling and carrying out the appointment must occur within this time frame, otherwise the rights conferred by the voucher will be lost.
- Carrying out any medical act does not prejudice the need for a prior medical evaluation or diagnosis.
- On the day of the consultation, the client must hand over the voucher as a means of payment to the Patient Manager to register the respective code.
- In the event of non-use, loss, theft or destruction, the customer will not be able to demand any compensation or the use of the same.
- The voucher is not redeemable for cash, and cannot be combined with other vouchers, offers or campaigns in force.
- For more information or clarification of doubts, contact us on 210 522 240\* or email: [apoioaocliente@clinicamedis.pt](mailto:apoioaocliente@clinicamedis.pt).
